

Grade 3 for week of 4/20-24, 2020

I hope you enjoyed your Easter Break. Please send copies of your finished work to me at: phelgerson@childrenofpeaceschool.org It needs to be an upright picture, not sideways. That way I can get an idea of how you are doing and if you understand it. If you do any of the work on a computer instead of writing it out, you could send a word document copy of it to me and I would be able to write directly on it to reply to you. Originally I said to bring it to school but we are out longer than originally planned and I need to know how you are doing. At the end of the week send me an email and let me know the following things:

- How are you?
- Did you understand your lessons?
- Did you complete all your lessons?
- Is there something you need more help or clarification with? If so, what is it?
- Is there anything you would like me to keep in my prayers?

Science and Social Studies work will be done together this week since we will be celebrating Earth Day and learning how to take care of our Earth.

Mon. APRIL 20, 2020

1. Watch the video on recycling at the following link:
https://www.youtube.com/watch?v=9goFU_Z2zZg&list=PLMxa3IaUWUsva3sZasOZyMgeL-HW5gnil&index=46
 1. Why is it important to recycle?
 2. What can be done with materials that are recycled?
 3. What kind of materials can you recycle?
 4. Today as you go through your day, notice the things you use. Think about how you could reuse them. Make a list of them and tell us if they can be recycled or not.

Tues. APRIL 21, 2020

Watch the following video:

<https://www.youtube.com/watch?v=VIRVPum9cp4>

Download the worksheet **Conservation Counts** and complete it.

Read the passage. Find a word in the word bank that could replace each number. Write the word on the matching line. Use each word only once.

Also do the bonus activity: **Write two things you and your family can do to conserve resources**

Wed. APRIL 22, 2020

Watch this video on Earth Day“Hooray

For Earth Day!” [https://sn1.scholastic.com/issues/2019-](https://sn1.scholastic.com/issues/2019-20/040220.html?promo_code=6294&magazineName=SN1&eml=CM/smd/20200414//txtl/facebook/edSN1&fbclid=IwAR1O72aByFhuoloRTD0OA9TiiuMBfUNvxoIEH90TBLjhe-qajt8x9W1A6SM)

[20/040220.html?promo_code=6294&magazineName=SN1&eml=CM/smd/20200414//txtl/facebook/edSN1&fbclid=IwAR1O72aByFhuoloRTD0OA9TiiuMBfUNvxoIEH90TBLjhe-qajt8x9W1A6SM](https://sn1.scholastic.com/issues/2019-20/040220.html?promo_code=6294&magazineName=SN1&eml=CM/smd/20200414//txtl/facebook/edSN1&fbclid=IwAR1O72aByFhuoloRTD0OA9TiiuMBfUNvxoIEH90TBLjhe-qajt8x9W1A6SM)

And <https://www.youtube.com/watch?v=g0OwMllrVwA>

1. Draw a line down the middle of a sheet of paper to make a T chart. On the top left label it “Things that are helpful to the earth.” On the right side label it “Things that are harmful to the earth.” Brainstorm ideas of things to write in each category. For instance on the left side, “Things that are helpful to the earth” you might list trees. On the right side, things that are harmful to the earth you may list fuel emissions. After you finish today’s activities go back and look at your list to see if you can add any more items to your chart.
2. Download the **worksheet “Earth Day: Cause and Effect”** and complete the worksheet “If I...then_____.” Also do the bonus activity: On another sheet of paper, design an Earth Day poster using one of the ideas

Commented [PH1]:

Thurs. APRIL 23, 2020

Watch the video on how items are recycled at the link:

Watch the following videos about what happens at a recycling

plant. <https://www.youtube.com/watch?v=yv2WayK-eUs&list=PLMxa3IaUWUsva3sZasOZyMgel-HW5gnil&index=43> and

https://www.youtube.com/watch?time_continue=66&v=629cIJ5VZFc&feature=emb_title

Answer the following questions:

1. Do you recycle at home?
2. What types of materials do you recycle?
3. Why do we recycle?
4. Think of a container that you have used this week. How could you recycle or reuse it?
Download the link on reusing a container and plan and draw how use can reuse a container.
(Maybe you can use it for a craft, for planting something, etc.)

Fri. APRIL 24, 2020

1. Watch the 3 Rs Video https://www.youtube.com/watch?v=OasbYWF4_S8

2. What are the 3 rs and why are they important? _____

3. Watch and listen to the song on recycling at

<https://www.youtube.com/watch?v=DyhbovE5lrk>

1. Download the recycling crossword and put the bold colored recycling words into the crossword puzzle.

2. Download the earth worksheet and color it. On the backside, write three sentences describing ways we can take care of the earth.

recycling song video <https://www.youtube.com/watch?v=SKvGgb3YcDQ>

Happy eLearning! Remember to send a report to me at the end of the week

1.How are you?

2.Did you understand your lessons?

3.Did you complete all your lessons? **(If you did not, what is your plan to complete them?)**

4. Is there something you need more help or clarification with? If so, what is it?

5. Is there anything you would like me to keep in my prayers?

Please do not wait to email me if you need help. My email is:

www.phelgerson@childrenofpeaceschool.org Have fun learning

Social Studies and Science! Love, Mrs. Helgerson :)

Social studies standards covered this week (3.14.13 Describe the characteristics of a good citizen. (14C) 3.14.18 Understand the concept of common good and how people help work for the common good. Science Standards covered this week are: 3.11.09 Develop a plan, design a procedure to address the problem, and identify constraints 3.11.10 Build a prototype of the design using available tools and materials.)
