

March 20, 2020 Social Studies Grades 4 & 5 Objective: Make a chart of the New England Colonies, founders, and reasons found.

Today you will watch a video on the 13 colonies. but before you do prepare a paper with your name, date and the following:

1. Make a chart on paper as shown at the start of the video showing Colony/ founder/ reason found

Record your answers on the chart as you watch this video. 2. Also pause it and write out the questions he asks along with your answers as you watch the video. (Next Monday you will do the same thing with his next video. Just watch the first video for today.)

2. At the end of the video write down facts you learned that you feel are important about the New England Colonies.
3. If you were to live in one of the Colonies you learned about today, which one would it be and why? Back up your reason with facts you learned about the colony.
